

**CROSS TIMBERS ROYALTY TRUST
DECLARES JUNE CASH DISTRIBUTION**

Dallas, Texas, June 20, 2016 – Southwest Bank, as Trustee of the Cross Timbers Royalty Trust (NYSE:CRT), today declared a cash distribution to the holders of its units of beneficial interest of \$0.060865 per unit, payable on July 15, 2016, to unitholders of record on June 30, 2016. The following table shows underlying oil and gas sales and average prices attributable to the current month and prior month distributions.

	Underlying Sales Volumes		Average Price	
	Oil (Bbls)	Gas (Mcf)	Oil (Bbls)	Gas (Mcf)
Current Month Distribution	19,000	182,000	\$35.87	\$2.83
Prior Month Distribution	20,000	119,000	\$32.00	\$2.82

Excess Costs

XTO Energy has advised the trustee that increased oil prices led to the partial recovery of excess costs on properties underlying the Oklahoma Working Interest net profits interests. However after the partial recovery, there were no remaining proceeds from the properties underlying the Oklahoma Working Interest net profits interests to be included in this month's distribution.

XTO Energy has advised the trustee that continued lower oil prices caused costs to exceed revenues on properties underlying the Texas Working Interest net profits interests. However, these excess costs did not reduce net proceeds from the remaining conveyances.

Reserves

The current month distribution includes a deduction of \$100,000 related to the expense reserve. The monthly deduction will remain at that level until the reserve reaches \$1,000,000, which is estimated to be the July 2016 distribution. This will allow the trust to pay its obligations should any extraordinary events or expenses occur, especially with commodity prices at the current level. The trustee will continue to evaluate and revise the reserve as necessary.
