

**CROSS TIMBERS ROYALTY TRUST
DECLARES MAY CASH DISTRIBUTION**

Dallas, Texas, May 19, 2017 – Southwest Bank, as Trustee of the Cross Timbers Royalty Trust (NYSE:CRT), today declared a cash distribution to the holders of its units of beneficial interest of \$0.076796 per unit, payable on June 14, 2017, to unitholders of record on May 31, 2017. The following table shows underlying oil and gas sales and average prices attributable to the current month and prior month distributions.

	Underlying Sales Volumes		Average Price	
	Oil (Bbls)	Gas (Mcf)	Oil (per Bbl)	Gas (per Mcf)
Current Month Distribution	17,000	114,000	\$46.82	\$4.74
Prior Month Distribution	14,000	135,000	\$50.15	\$4.43

Excess Costs

XTO Energy has advised the trustee that increased oil production in the current month distribution led to the partial recovery of excess costs on properties underlying the Oklahoma Working Interest net profits interests. However after the partial recovery, there were no remaining proceeds from the properties underlying the Oklahoma Working Interest net profits interests to be included in this month's distribution.

XTO Energy has advised the trustee that increased costs in the current month distribution caused costs to exceed revenues on properties underlying the Texas Working Interest net profits interests. However, these excess costs did not reduce net proceeds from the remaining conveyances.
