Excess Costs

XTO Energy has advised the Trustee that \$260,000 of excess costs were recovered on properties underlying the Texas Working Interest net profits interests primarily due to the timing of invoices. However, after the partial recovery, there were no remaining proceeds from the properties underlying the Texas Working Interest net profits interests to be included in this month's distribution. Underlying cumulative excess costs remaining on the Texas Working Interest net profits interests after the current month's distribution total \$2.1 million, including accrued interest of \$582,000.
